

Toastmasters in Paradise

Let us whisk you away to our island paradise.

Come enjoy the entertainment and food at the Friday social. Change your attire for Saturday for a fun filled, informative and entertaining fall conference. Bring your club banner for Saturday's parade and display. Our general session following breakfast is sure to delight the listeners, especially you.

Educational classes are next with the highest caliber of presenters and subjects. Following a delicious lunch will be our Table Topics Contest with 8 division champs vying for the top spot.

Just a bit of important district business follows the contest. Next on the tableau of events is our "luau (dinner) succeeded by the Humorous Speech Contest. If you haven't laughed enough during the day, then you will get your fill as 8 more contestants try to win the coveted trophy.

Grab a registration form and book your passage to our island getaway. Two winners from the early registration forms will receive a rebate on their registration. Sponsor a 1st Timer and be rewarded.
