

DIVISION B

Toastmaster Leadership Institute (TLI)

Saturday, February 24, 2007

10:30 a.m. – 2 p.m.

Carson City Library

900 North Roop Street

Carson City, NV

The second half of the 2006/2007 Toastmaster year is here and it begins with officer training! There is Division B led District-sponsored training on February 24, 2007 and it counts towards the Distinguished Club Program. The event provides ideas for a club success plan that supports achievement of individual members' goals. Networking with other officers will offer solutions to problems and allow you to share your experiences and successes with other clubs.

The sessions are for all Toastmasters, in addition to club officers. Members who attend can find out what they should expect from their officers and how the organization beyond the Club works. Members who are considering running for office can get an idea of the duties, responsibilities and benefits of a particular office as well as learn efficient ways to carry out those duties. All Division B Toastmasters are invited and encouraged to attend.

Training Format

Welcome – Opening remarks by Area 22 Governor Kate Langworthy

Officer Duties – Trainers will give a 10 to 15 minute presentation for each officer position so everyone has a basic idea of responsibilities for all offices and how they interact and depend on each other

Forum – a general leadership discussion and an opportunity to ask specific questions

Distinguished Club Program – how to use the DCP as a strategy to make your club successful

Judges Training – an opportunity to learn the rules and strategies involved in picking contest winners

Mark your calendar and contact your Area Governor to reserve a seat. You will be happy you took advantage of this opportunity. Check with your Area Governor for additional opportunities to attend District training in Sacramento or look on the District website at www.District39.org.
