Hello,

My name is Jaime Mendoza and I am the Conference and Program Administrator for California's Future Leaders of America (CA-FBLA). You were strongly recommended as a possible judge for our upcoming CA-FBLA State Conference in Sacramento beginning on April 6th and ending on April 9, 2017.

Who we are: CA-FBLA is a nonprofit student business organization with more than Xxxx students in middle school and high school learning a wide variety of skills that nurture personal, educational and professional growth. Each year students attend the State Conference to participate in leadership workshops, and compete in a variety of business related events they qualified for at their respective section competitions.

Who we are seeking: During the Spring we need many knowledgeable business professionals to judge the best of the best competing in both individual and team events. We are seeking 200 volunteers in multiple areas. Follow the link to review the areas [Judge Events Information](#). Judges such as yourself provide a valuable service by evaluating and providing constructive feedback to our students. I promise that this shall be a rewarding opportunity because you will have a positive impact on today's youth, give back to the community, and network with other professionals from around the state.

What we Need & Level of Commitment: We are looking for at least 200 judges for a minimum of 4 hours. You can help one of two ways: 1) Pre-conference evaluation (need 50 judges) and 2) Performance at the conference evaluations (150).

We will do our best to pair you in an event that aligns with your preferences and expertise. Please note that all CA-FBLA events are designed at a high school level and are structured so that professionals from a variety of backgrounds like yours can successfully judge events.

Are you ready to say yes? If you are we are excited for you to become one of our judges. Please follow this [link](#) to sign up.

Preconference Judges Training: If you are still not 100% sure or if you are ready to judge an event, we will walk you through every step of the way. We will provide you specific instruction on the event that you will be evaluating. Remember that you have expertise in the area and our students are learning. An Event Adviser/Administrator will also provide you a briefing. This time will be a great opportunity for you to ask questions. A judge's packet will be sent to you and it includes rating sheets, directions, locations, etc. to help make this process easy for you.

If you have additional questions, feel free to contact me, Dr. Jaime Mendoza at jmendoza@cafbla.org. If you are ready to help judge during our FBLA event, follow the [link to our registration form](#)

I look forward to meeting and working with you.

Dr. Jaime E. Mendoza
Conference & Program Administrator
