

## District 39 Toastmasters Finance Manager Report

September 12, 2015

Account Balances through July 31, 2015 are as follows:

Cash, Bank of America	\$20,178.78
Cash, Pay Pal Account	<u>1,258.24</u>
Total Cash	\$21,437.02
District Reserve	\$29,726.58
Cash & Reserve	\$51,163.60

The budget for July has not yet been established. When the new budget is approved, a Summary Report of the Year to Date Actual vs Budget through July 31, 2015 will be submitted.

Myra Golson, Past District Treasurer, sent documentation for the End of Year Audit to Toastmasters International (TI) on September 1, 2015.

The transition is taking a bit longer than expected. TI updated the accounting software, making the process of entering information more challenging to those familiar with the prior format. This, in turn, makes training your new staff person an exercise in patience.

Following expenditures on behalf of the District, please submit Vouchers for Reimbursement (VFR) promptly to District Director George Jarosik. No reimbursements will be made without his approval. VFRs will be processed expeditiously. After sixty (60) days, a VFR may be denied under TI rules.

## Public Relations Manager Report – September 2015

### ATTRACTING NEW CLUB VISITORS WITH MEETUPS

This month The PR team wanted to focus on different methods clubs have used to attract visitors to their club meetings. Open house events, social media, and word of mouth are all free methods for attracting new visitors to your Toastmasters club.

But in July, Tracy Toastmasters had three new guests attend their meeting and two of them were the result of *Meetups*. I was so intrigued I asked David Goad if he could do some research and provide information about Meetups that could be shared with District 39.

#### What are MEETUPS?

Meetups [www.Meetup.com](http://www.Meetup.com) is a paid tool that IS helping clubs attract visitors.

Clubs may have available funds to invest or possibly collaborate with a few Area clubs to try it out, but Meetups are proving to be worth the investment in attracting visitors to your club. Sometimes it's not the cost... it's the VALUE of your promotion activity that keeps your club strong!

Check out this [article](#) for an excellent basic guide to how it's being used in District 96. If you are already using Meetups successfully, please share your results and tips for other clubs in the [District 39 Facebook members group](#).

### SHARING IS CARING

A quick survey was sent out in Facebook asking members to share their clubs' Top 3 most successful sources attracting new visitors to their clubs and here are the responses we received:

*"Word of mouth, good media advertising, and companies who believe in Toastmasters for their company's employees future". ~ Jeff Dewitz, Area 93 Director*

*"Members bringing friends, Facebook, and meetups". ~ Lee Zasloff, Empire Toastmasters*

*"By far word of mouth, followed second by Google. I surveyed our membership and that was the result." ~ Melanie Cottrell, Division I Director*

*"In my original club, the Internet was #1. Posters at the grocery store and secretly left-behind branded pens at the library and post office were not mentioned by any guests. However, they may have at least generated some awareness." ~Jim Kohli, Regional Advisor*

*"Member referral, our local magazine, and I have gotten several inquires just by posting stuff about TM on my personal FB page". ~ Jennifer Darling, Area 45 Director*
