

Alignment Committee Report –

Attachment for map of alignment of clubs into Areas and Divisions

[D39-Realign20230406b DC - Google My Maps](#)

Legend

Club Locations are color coded by membership strength¹ in the following manner:

- Black: 0-2 members
- Red: 3-7 members
- Yellow: 8-12 members
- Green: 13-20 members
- Blue: 21-30
- Purple: 31+

¹Note: color coding of membership estimated before April renewal period

Process

After renewal period, considered clubs not in good standing and were changed to the color red.

In April, looked at clubs who were in good standing and not in good standing and set the clubs into areas.

A handful of clubs that came into good standing were changed to yellow with heart symbol. Did not consider the membership strength after the District Executive Council Meeting (DECM)

The other two blue heart symbols on the map are the two clubs that chartered after the DECM.

The club with a comment bubble is a prison gavel club, Delta Breeze.
