Alignment Considerations

- At least three areas per division
- No fewer than four clubs and no more than six clubs per area
- Geography
- Clubs ability to participate in Distinguished programs
- Possible growth and loss of clubs in all Areas and Divisions
- Changes anticipated by current district leaders
- Strategy focused on the benefits for all
- Advanced clubs may not be segregated into areas.

Alignment Focus

- Ensure each Area has 4-6 clubs
- Identify Club Health (Healthy, Struggling)
- Ensure Areas have a balance of club health
- Ensure Area clubs are relatively close geographically
- Ensure Directors can reasonably serve their Areas and Divisions

Questions & Answers

1.) Why did you add Division J, didn't we already have enough Divisions?

- While working on alignment of Areas 45, 55, and 85 there were some major challenges with how to balance club strength.
- While working on a solution, it was discovered that there were enough clubs to create a new Division.
- The creation of the new Division allowed us to group Sacramento Clubs back into Areas that were closer geographically.

2.) What criteria did you use to create new Areas in Division J?

- ZIP+4 -helped show where clubs were within Sacramento Area
- Club Strength - helped us group stronger clubs in Areas that need more leadership.

2.) How will Division J fit into the Conference hosting?

- A motion would need to be made & seconded to Add Division J into the Conference hosting lineup. Then we would discuss & vote on this matter.

3.) If we have 10 Divisions, do we have to do Run-off contests?

- It is not mandatory but Run-off contests are an option that could be used if the District chooses.
- Speech Contest rulebook 3.A.1 - In those districts with 10 or more divisions, two separate run-off competitions among division winners may be held before the district contest finals.
- So, there are 2 options:
 - #1 - (10 speakers at International or Humorous speech contests)
 - #2 - (run-off contest for Divisions 1-5 & for Division 6-10)
 - Either do run-off contest prior to conference
 - or add run-off as an event at the conference
 - Then 3 from each run-off contest would go to main event.
 - That would be a little more like a Toastmaster Convention.
