

July D39 Parliamentary Report

The only correspondence from WHQ are the reminders to register for the International Convention starting on August 23. There is a two tier pricing structure, free and \$25. See the Toastmasters International website for further details and how to register for the Convention AND how to ensure your club's 2 votes can be registered.

August 26 at 5am Pacific Time is the Annual Business Meeting. The bios of all the candidates are available on the WHQ website. Read carefully and let your club voting representative OR Nancy Potts, our District Director, know your preference. Two good "rules of thumb" when selecting Director Candidates is would you like that person to come and visit D39 to represent YOU as they would visit organizations and businesses. Since only Past International Directors can be candidates for higher office leading to International President of Toastmasters, would you like this person to be President some day?

Have you read the August "Club Leader Letter?" Lots of good information in those pages as well as the August issue of the Toastmaster magazine.

As I have in the past reminded all Toastmasters, if you want to know what's happening "down the road" with the future of TM, the Board minutes are available on the WHQ website from August 2010. The latest Board Minutes that were available are from June 2021. Read and become informed.
