Education and Training Report December 2014 John L. Davis, DTM, LGET

New Toastmasters Leadership Institute Programs

Club officers attend district-sponsored training twice each year. The District offers many training opportunities to club officers as either a TLI or Club Officer Training (COT). Reasons a TLI is Best Standard and approved format delivered by experienced instructors.

Remember to mark your calendar for the Leadership Breakfasts coming in February 2015. Both events are gearing up to be special and you will benefit from attending either or both. Of note, the keynote for the Sacramento Leadership Breakfast will be presented by 2005 World Champion of Public Speaking Lance Miller. You will be able to find more detailed information about each event on the District website as it becomes available. Register on Eventbrite today to get the best pricing.

Revitalized Education Program Update

Research by Toastmasters International has identified the core competencies that are the foundation of Toastmasters learning:

- ▶ Public speaking
- ▶ Interpersonal communication
- ▶ Leading and managing
- ▶ Leading strategically
- ▶ Confidence

These core competencies, and the many sub-competencies that support them, are the structure of the revitalized education program under development. The new program will provide members with:

- ▶ Customized learning, based on the core competencies, that fits their personal goals.
- ▶ Earlier recognition to reward success and encourage continuing achievement.
- ▶ Projects that challenge members, require increased effort as they progress and result in demonstrable proficiency gains.
- ▶ A formalized member-mentoring program.
- ▶ Online access and achievement tracking.

Developing and deploying this new program is an incredibly complex task. Here are a few of the questions that can be answered today:

- ▶ The format of the club meeting will continue to have speakers and evaluations, Table Topics, a Toastmaster of the day, and of course the Ah Counter.
- ▶ We anticipate the overlap period will be 24 months.
- ▶ To ensure that the education program is fully developed and structurally sound, we will conduct beta testing with selected members and clubs. The timing of the beta testing will be announced in late 2014, with a program launch in 2015.

There is a significant amount of the new education program that is still under development, and Learning Masters and Ambassadors will continue to be a vital part of the process to ensure that members and clubs around the world are represented, and that we're able to carry messaging about the program to clubs in person.

District Governor Brian Hatano, DTM December 2014

Brian.Hatano@district39.org

Dear Fellow Toastmasters:

During the holiday season it's easy to get lost in the festivities. I invite you to take a pause.

Invest a few minutes to reflect, to take stock of your life of where you've been, where you are and where the next few years may lead you. Your moment of contemplation may have the same result as mine. It's one of realizing how lucky we are, no matter our place.

My self-evaluation came recently when a group of Toastmasters visited Solano State Prison in Vacaville for the banner presentation for the district's new club behind bars, Delta Breeze. It is the epitome of a "closed club"—only the two sponsors reside outside the prison. (Thanks to Louise Houdelette, PDG, DTM, and Brian Richards, DTM, who were the driving forces in getting the club chartered, and helped get gate clearance for our visit.)

A moment of GRATITUDE makes a difference in your attitude.

—Bruce Wilkerson

Listening to speeches by the inmates - many of whom will be in prison for the rest of their lives - it was easy to forget we were sitting within the confines of a prison. Their speeches were well-crafted. Their meeting was run efficiently, as good as many of our other clubs. An inmate who had been in prison for 25 years told a heart-warming story of how he and his dog were saved from oncoming traffic by a stranger when he was nine years old. *Amazing story-telling ability.* Were he able to compete in our contests, he definitely would impress the judges.

One personal story stuck with me. An inmate who had been involved with a Gavel Club at San Quentin prison was upset that he was being transferred to Solano. Why? Because he was enjoying his Toastmasters' experience at San Quentin and was forced to leave it behind.

A few months after he arrived at Solano Prison, the Delta Breeze club started. Now he could continue with Toastmasters! The joy in his voice and seen on his face as he told his story expressed sheer gratitude for getting the chance to be a part of Toastmasters again.

Even though he will never again have the freedom to live like us, he is finding Toastmasters a worthwhile activity by giving speeches and participating in the meetings. The other members were anxious to speak and genuinely wanted to be there. It showed in their demeanor and willingness to participate. They are appreciative for the meetings held on Wednesday evenings once a month.

We should all be so grateful.

From our family to yours, have a great holiday season!

Area Governor Visits, Round 1

Round 1 of Club Visits by area governors ended on Nov. 30, with the AGs visiting 85% of their clubs.

Great work by the area governors in divisions H and I who visited all of their active clubs. They didn't visit two just-chartered clubs in Division H and one club in Division I that is no longer meeting.

Divisions B and E were one club visit short of reaching 100%.

Kudos to the 22 area governors listed on the right who visited all of their clubs in round 1.

Area governors help sustain the relationship between clubs and districts through club visits, which are required twice a year.

Second-round club visits begin January 1, and reports must be submitted by May 31. When a visit report is submitted online through District Central, a copy is automatically sent to the district governor, lieutenant governors, division governor, area governor and president of the club visited.

DIVISION A REPORT

December 13, 2014

Vision: Division A – Where We Practice What We Speak

Team Members: Area 11 Governor: James Burke, ACS, ALB Area 14 Governor: Tina Clinebell, ACB
Area 12 Governor: Staci Nauman, CC, CL Division A Chief Judge: Jeffrey Purtee, DTM
Area 13 Governor: Richard Ludke, CC

Club Visits: Area 11, 12, 13 completed all club visit reports. Area 14 reported all but one at last Division Council meeting.

Membership:

- ▶ Two clubs, Washoe Zephyrs in Area 14 and Lyon Speaks Tonight in Area 12, remain under eight members and need help. A club coach, DTM John Davis, has been assigned to Lyon Speaks Tonight. American Valley in Quincy CA and Area 11, has just eight members so are border line but according to Area Governor Jim Burke, very healthy otherwise. Most clubs in Division A continue to report double digit membership though many could use more members.
- ▶ A new story telling club has been meeting Saturday's at KNPB and hope to Charter by the spring of 2015. Area 12 Governor Staci Nauman is very active in supporting this new club and their efforts to get chartered.

Contests:

- ▶ All the Area contest dates, locations, and times have been determined and Division A clubs are being encouraged to schedule their club contests. Let the "madness" begin...in January.
- ▶ The Division A Chief Judge Jeffrey Purtee, DTM presented the first of what will be several "Judges and Contestants Training" at the Club Officer training and TLI on December 6, 2014. It was well received. Four clubs have already scheduled their Spring contests and have been added to the Spring Madness Contest (Bracket) Schedule. We look forward to an exciting contest season in Division A.

DGP Stars: Unable to see the "stars" on new Toastmasters International website. Some training would be helpful as navigation has changed as well as look and feel.

Distinguished Areas: See above

Challenges: Several Division A clubs are eligible for, and still need club coaches, sponsorship from stronger clubs, or a posse of experienced Toastmasters to try to get them back on track and viability. These include American Valley in Area 11, Lyon Speaks Tonight in Area 12, and Washoe Zephyrs in Area 14. Efforts to attract, sign up and retain members is a high priority for the majority of clubs in Division A.
