NORTHERN CALIFORNIA
WESTERN NEVADA

2014-2015 District 39 Trio

Dear District 39 members:

It's a great honor to serve as your district governor this year. Exciting times for Toastmasters and District 39: **We became Distinguished for the first time since 2008-2009!** A lot of extra work by many of you, long hours and the attitude of "never give up" propelled us to the finish line and made us successful.

Special commendation to our Immediate Past District Governor, Joey Waldrop, DTM, and Lt. Governor Marketing Louise Houdelette, DTM, for a superb finishing kick that got us to Distinguished. It was an outstanding effort that will be our goal to reach-and hopefully, surpass-this year.

Now that we've reached the pinnacle it's up to us as the new leaders to take advantage of this momentum and synergy to be distinguished once again. Can we do it? With our combined efforts, yes, we can!

Live for Excellence!

Hello fellow Toastmasters and friends,

This year your district marketing team will continue to follow the example set before us of successfully building new clubs and working towards reaching even higher levels of membership recruitment and membership retention. We look forward to expanding the district club coach program, presenting a revitalized community outreach program and rebuilding the club fitness program, all with the sole purpose of encouraging as many people as possible to partake of the benefits of the Toastmasters program.

"Here we are, with tremendous opportunity before us. I challenge you to get to work to bring us up to a higher level of service. Let us share with others the benefits we have gained for ourselves." Ralph C. Smedley
