## **District Director Nancy Potts DTM July 10, 2021 District Executive Committee Meeting Report**

Welcome Members of District 39 to Toastmaster year 2021-2022

I am honored to serve you as your District 39 Director. I invite you each to join us on our path forward to success as we follow the district mission "We build new clubs and support all clubs in achieving excellence." We follow in the footsteps of the Leaders before us with gratitude!

Please join me in welcoming the officers who have stepped forward to lead 2021-2022. Take a moment to read their names below and give them a shout out at the next meeting you attend with them or just drop them an email thanking them for their dedication. There are still opportunities for you to add your name to the list. We appreciate the time, talent and dedication of each member and Leader!

We start our path forward with 125 Clubs in good standing. Although down from 140 clubs we chartered six new clubs in 2020-2021. Retaining and chartering new clubs in 2021-2022 year is a top priority! Clubs need our help! 80 clubs are eligible for club coaches. 51 Club Coaches are currently assigned and working with clubs having twelve or less members. Our members will benefit from your coaching.

We currently have 1942 paid members. We have welcomed 381 new members to District 39 since July 1, 2020. Amazingly 216 members will celebrate their 20th year to 56th year Toastmaster member anniversaries this year! Our members earned 1143 Educational Awards last year. We recognized 131 Triple Crown recipients. We are proud to announce that twenty-nine Distinguished Toastmasters joined the ranks of our most accomplished members.

Thirty-six clubs were recognized as Distinguished and are listed below. 76 clubs achieved 5 or more distinguished points. Ten clubs accomplished ten of ten goals; Reno Storytellers, Jibboom Street, Capital Nevada Club, Kaiser Thrive Talkers, Skillbuilders Toastmasters, EdTalkers Club, San Juan Speaks, Tracy Toastmasters, Manteca Smooth Talkers, Speaking Machine, Bits 'N Speeches Toastmasters, Natomas Pop-Up Toastmasters Club, Los Oradores Toastmasters Club. Amazing! These clubs have valued success stories they may share with your club.

Congratulations to Distinguished Area Directors Linda Bedell (Area 11), Rick Santos (Area 14), Steve Anderson (Area 21), Ming Ma (Area 84), Theo Pope (Area 91), and Melanie Stark (Area 94, President's Distinguished) and to President's Distinguished Division I Director Joey Waldrop. Russ Steele posted "These accomplishments mean even more than usual since they were in probably the most difficult year in the history of Toastmasters. Great work each and every one of you!!!!!!" Kudos to every member in District 39 for your successes this year.

As Toastmasters International reminds us, "A district leader has one of the most important leadership roles within Toastmasters International. The success of the district, its clubs and the member within each club depends on how well the district leaders execute the responsibilities of their office."

I am proud to recognize Toastmasters International Core Values in each of you "Integrity, Respect, Service and Excellence" In the new term I look forward to getting to know you each better.

As a team we will take each member on our path forward towards a Distinguished District!

Together we will lead District 39 as we share the benefits of Toastmasters with family and friends.

Respectfully yours,  
Nancy Potts DTM  
District 39 Director
