Milestones

Eleven Div E club officers, plus two AD's attended the District Council Meeting on September 12. I sent a 'Thank You' letter to all of them. Still have 16 of 17 clubs meeting virtually. Zoom Masters John Pasamonte and Marshall Graham provide excellent Zoom coverage for 16 clubs, CalVet club provides its own virtual coverage.

Progress

All Div E club presidents and VPE's have been contacted by AD's or the DVD. AD's reminded all club presidents and VPE's to get dues paid by September 28. Six Div E clubs got 7 officers trained, with eight others training 4-6 officers.

Challenges

Inspired Communicators is currently not meeting. A51 AD Ismael Perez is working with their club president to try and set up for virtual meetings. Two clubs (Inspired Communicators, Cal Vet Golden Bears) had zero officers trained; Carb-Orators trained only one officer. This will be closely monitored prior to the next round of officer training. Div E is still needing a Chief Judge.

Recognition / Upcoming Events (Highlights)

Formal club visits will begin this month, to be completed by November 30.

Division G DECM Report 10-01-2020 – Challenges

As of 10-01-2020, Division G could potentially lose three clubs:

Cinnamon Toastmasters (Area 73), restricted club. Last report from the Club mentors, Diana Irvine and Mercy Milan on September 2nd and September 15th reported that their Club President had polled the members: 4 members would like to resume Zoom meetings while working from home. Two members indicated they wanted to wait until in-person meetings could be held. No reported response from 2 members. As of 10-01-2020 the Club has not paid any member renewals.

The Nooners (Area 74). I received an e-mail from a member on September 17th proposing to “Sunset” the Club. This was my first indication of any issues with this Club. Rose and I spoke to the Club President on September 21st. He indicated that he had suffered a work-related injury in August 2020 and would not be able to attend meetings. However, he supported having a meeting with all members to get a consensus of their challenges and determine how Division G and District 39 could help. Rose and I called several members and received different feedback regarding the Club’s future. Two members were willing to renew and were willing to attend a meeting to discuss the Club’s future. Three members declined to attend a meeting. There was no response from the remaining members. As of 10-01-2020 the Club has not paid any member renewals.

Prospect Park (Area 74). Rose attended a “meet-and-greet” session on August 26th. Rose and I attended a subsequent meeting with the Club Officers on September 23rd. The Club President sent a poll to all members the same day. I received a response from her on October 1st indicating that 12 of 17 members responded and the decision was to go “on hiatus” and revisit the situation in February 2021. As of 10-01-2020 the Club has not paid any member renewals.
