Club Membership Building Program **“Talk Up Toastmasters”**

Program Dates: February 1 – March 31

Toastmasters love to connect, so take advantage of it. The "Talk Up Toastmasters" membership contest is the chance to encourage your members to invite guests to a special meeting where prospective members can learn about Toastmasters' many benefits. Then add five new, dual or reinstated members with a join date between February 1 and March 31, and you'll receive a special "Talk up Toastmasters" ribbon to display on your club's banner. Qualifying clubs can also earn a special discount code for 10% off their next club order. (The discount code expires six months from the date of issue and is not valid with any other offer.)

Applications and payments for members with a join date between February 1 and March 31 must be received at World Headquarters or online no later than March 31. The addition of transfer and charter members does not count for credit toward "Talk Up Toastmasters" credit.

The winning clubs will be revealed online within a few weeks of the contest ending. Winning clubs should allow up to 10 business days to receive their award if they are located in the United States, and up to 21 business days if they are outside of the United States.

Here we are, with tremendous opportunity before us. I challenge you to get to work to bring us up to a higher level of service. Let us share with others the benefits we have gained for ourselves. -Ralph C. Smedley

Leading With Love

The cover of the February 2015 edition of Toastmasters Magazine highlights the article, "Leading With Love," written by Linda Allen. The following is a quote from the article:

"Leading with love dissolves limitatons and opens the playing field so each person can create, achieve and grow."

Reading the article brought to mind how the philosophy of "Leading with Love" contributes to the culture of a successful club. Club officers and club members can create a culture of appreciation by taking a ***"personal interest in the words, ideas, and lives of individuals, and appreciating how a company's success depends on the efforts of all."*** Our clubs are the equivalent of a small business. The success of our clubs depends upon each member feeling valued and appreciated. The success of our clubs depends upon the opportunity for each member to be empowered to develop communication and leadership skills, resulting in greater self-confidence and personal growth.

Every one of us carries the responsility of treating each other and our guests with kindness and understanding. We have the responsility to not only talk to each other, but listen to each other. As guests come through your club's door, sincerely ask why they are attending the meeting, ask what they hope to gain from the Toastmasters program and then gently explain the many oppourtunities available which will meet their needs.

Create a meeting atmosphere where your guests see and feel club members treating each other with respect. Set a tone for the club in which all feel safe when standing before an audience. Practice continual encouragement and recognition of all member achievements, no matter how small. At the end of the meeting invite guests to join the club. If they are not ready to join at this meeting, invite them to visit again and follow up within 24 hours with a phone call or an email.

You know the continual saying, ***"people will remember how you made them feel."*** When guests and fellow members feel valued and appreciated they will choose to become and choose to stay a loyal member of your club.

Choose to foster a club environment centered on the principle of "Leading with Love" and watch your club grow.

Here we are, with tremendous opportunity before us. I challenge you to get to work to bring us up to a higher level of service. Let us share with others the benefits we have gained for ourselves. -Ralph C. Smedley

New Club Leader Installations

If you are a semiannual club, you may consider an officer installation ceremony for your new leaders. The ceremony will benefit your club in several ways. A formal ceremony is a display of professionalism and reminds the officers of the seriousness of their responsibilities. It inspires both the leaders and club members, setting the tone for a successful, goal oriented year. It can reenergize, rededicate, and reinvigorate the club.

The ceremony is most effective if a respected dignitary officiates. Thus it is customary for clubs to invite the Area or Division Governor to conduct the ceremony. It is also appropriate to invite family and friends as guests.

Information on officer installations, including a script for the installation ceremony, is located in the *Club Leadership Handbook*.

Ensure Receipt of New Club Officers

Division and Area Governors should check the January Officer List Report on the Performance Page of the Toastmasters site to ensure all their semiannual clubs have submitted officer lists. The deadline for submission was December 31, 2014. As of January 1, 2015, 32 club officer lists had not been processed by Toastmasters. Though some clubs had submitted lists that were still being processed, other clubs missed the deadline. Contact your clubs to verify report accuracy and/or to correct discrepancies.

Club officer information is critical for use in the administration of many of Toastmasters' programs and activities, such as crediting officers for attending training and exchanging correspondence. The District uses the list generated by TI for the District Directory, maintaining contact with club officers and for use in other official procedures. For clubs, one on time submission is required to achieve Goal #10 of the Distinguished Club Program.

To ensure accurate and current information, it is TI policy to deny access to Club Central for any club with an outdated list of club officers. This means the club will be without the ability to conduct club business using the website. It may also make it difficult to correct the problem by submitting a new officer list after missing the deadline. Regaining access may require contacting member services directly or submitting a hard copy list by fax or mail.

Review of the Club Success Plan

Has your club revisited its Club Success Plan? Now is a great time to review and possibly update the plan created in July. This exercise in planning can help ensure your club and its individual members a successful year. It gives members and the club direction, helps maintain focus, and at the end of the year provides an objective measurement of success that answers the question, "How are we doing?" Your club's executive committee should

DISTRICT 39

NORTHERN CALIFORNIA
WESTERN NEVADA

draft the plan and then have it approved by a vote of all the club members. As part of the plan members volunteer to complete individual educational goals during the year, providing added incentive to participate in the education program. Members actively pursuing goals make for more interesting and effective meetings. Better meetings are the key to a healthy club and attracting new members. Remember, it is a requirement to achieve the Advanced Leader Bronze Award that a member successfully serve as a club officer and participate in the development of the Club Success Plan while in office. Members must also attend District sponsored training during the term as another requisite to earning the award.

Speech Contest Season is Here Again

It is time to prepare for the upcoming contest season. All the Division and many of the Area contest dates are posted to the District website. Areas should plan to hold contests with an appropriate amount of time prior to the respective Division contests. Clubs should plan club contests prior to the respective Area contests. If the date of your Area contest is not posted, contact your Area Governor to see if it has been set.

One of the most productive features of the Area Council is its use in planning and organizing speech contests. By working as a team, the Area Council has many benefits for conducting contests. Through the council, coordination between clubs can help prevent conflicts in dates that create a burden on personnel and material resources. It allows clubs to spread out contests over available dates. Club members have the chance to see other clubs' contests. Group knowledge can minimize conflicts with other events.

Finding outside judges is a major issue for conducting good club contests. The Area Council can assist by having a pool of judges available. It can also serve as a coordinator for clubs supporting each other through a reciprocal process. Instead of members who are not contestants judging within their clubs, they will judge at other clubs within the Area. Since any member in good standing may judge at the club level, members unable or unwilling to compete can gain valuable experience from being a judge and observing how other clubs conduct contests. The Area Council can arrange a special judges training session to create a pool of judges. The council can provide and receive assistance from the Division Chief Judge.

Similarly, if the Division and Area Governors can judge each other's contests, it would go a long way to having enough judges to meet the minimum required number.

Remember to Submit Training Results

Remember to submit the results of District sponsored training sessions as soon as possible after the session is complete to be reported to Toastmasters International. Waiting to submit results often creates issues of validation and extra effort to ensure officers receive credit for training completed. Make sure that any training your members attend is District sponsored.

District Governor Brian Hatano, DTM

February 2015

Brian.Hatano@district39.org

Fellow Toastmasters:

It's all about perspective. You really don't know how well or poorly you are doing (or how tall or short you are) until you compare yourself to others.

Your District 39 Trio--John, Sondra and I--attended Mid-Year Trio training in Anaheim a few weeks ago along with trios from the 13 districts in Regions 2 and 10 that cover the west coast from Oregon to San Diego and the entire country of Mexico. (It was quite impressive to meet a district governor that represents an entire country!)

The districts ranged from a base of 2,626 membership payments and 64 clubs (District 49, Hawaii) to the largest, 13,325 MP and 269 clubs in District 4, San Francisco. We're not the biggest nor the smallest. We are in between with 6,479 MP and 181 clubs.

For us district governors who moved up the chairs, it was our third mid-year training together. I was reacquainted with my friends Tamala from District 52 and Marlow from District 1 (Los Angeles area); Eliot from District 49 in Hawaii, Tod from District 57 in the East Bay and Katy from District 33 south of our district. We felt like we were seniors in high school. We were the graduating class, proud to be upperclassman but a little sad that our leadership journey was coming to an end soon.

At mid-year training, just like at international conventions, we learned valuable leadership skills over two full days from international directors, region advisors and facilitators from world headquarters. Great information. Loads of instruction.

To all of us, though, the most valuable part of the training came from sharing our experiences. We learned alternative strategies and tactics. We learned that even though we might think our situation is dire, it's not so bad, and we're not the only ones dealing with it. Sitting at a table of six people, we were able to commiserate, emphasize and more importantly, offer possible solutions. We posed our problems and in turn, received ways to tackle them.

Those hours spent in groups gave us interesting perspectives and energized us for the next five months. One great lesson I learned: the District Governor from District 5 (San Diego) taught me to never say never. His district had dire projections at the beginning of the year, with the impending closure of 36 clubs and membership dropping dramatically. They went into attack mode and turned it around to a success story from which we can all take inspiration.

Until you know how you line up with the others, you don't really know where you stand. It's all about perspective. I'm glad to report to you although District 39 will lose a few clubs this year, we will add several new clubs, offering the Toastmasters program to new people in new locations. With your help, we can continue to share the value of Toastmasters.

Live for Excellence!

Brian

Toastmasters Enhances New Website with Improvements

Toastmasters International's redesigned website offers a sleek design, easier navigation, mobile-friendly access, an improved shopping experience and more resources than ever before.

The **Toastmasters.org** redesigned website launched in December. Since then, the following updates have been implemented or are in progress:

- >Website FAQs offer tutorials to assist in navigating the site.

- >The Find a Club Advanced Search tool helps users locate clubs by country or district, and you can export the results to a spreadsheet. Find it in the Leadership Central section under Club Officer Tools and District Leaders Tools, which are available after logging in to the site.

- >The Search function provides results for both products and content. You may choose to view either.

- >Enhancements to both the Search and Shop functions will be made throughout the first quarter of 2015.

Member feedback is a key reason these improvements are being made. TI appreciates your comments and review them regularly. Please email them your comments.

April Dues Renewal

Beginning February 27, clubs can start submitting dues online or by US mail.

Club Officer Kits Coming

In May and June, club presidents will receive seven copies of the Club Leadership Handbook to distribute to incoming officers.

These handbooks are part of the Club Officer Kit, which will be sent to your club mailing address on record.

To ensure your materials arrive at the correct address, **please complete the following steps** by March 15:

- 1) Log in to Club Central using your username and password.
- 2) Select your club name and number and then click Update my club mailing address.
- 3) Confirm or update your mailing address and language preference for officer manuals.
- 4) If you enter changes, click Save at the bottom of the page. Otherwise, if no changes are needed, click Return to Conduct Club Business

California Club Treasurers: Time to submit your 199Ns

California-based clubs are required to electronically file the 199N form for the 2014 tax year with the Franchise Tax Board by May 15.

In mid-January, club presidents and treasurers should have received filing instructions in an email from World Headquarters. Please email any questions to 199N@toastmasters.org.

Toastmasters Club Mission

We provide a supportive and positive learning experience in which members are empowered to develop communication and leadership skills, resulting in greater self-confidence and personal growth.

DIVISION A REPORT

February 14, 2015

Vision: Division A – Where We Practice What We Speak...And Speak with Heart!

Team Members: Area 11 Governor: James Burke, ACS, ALB
Area 12 Governor: Staci Nauman, CC, CL
Area 13 Governor: Richard Ludke, CC
Area 14 Governor: Tina Clinebell, ACB
Division A Chief Judge: Jeffrey Purtee, DTM

- Club Visits:**
- ▶ Area 11 Governor Jim Burke has made his second round of official club visits to three of his four clubs. He will be installing the new officers for Sierra Sunrise on Feb 19th.
 - ▶ Area 13 Governor Richard Ludke reports that Blue Tahoe has a new club president, Slater Cahill. He also indicated that Tahoe Toasted Nuts, the Hyatt closed club, appears to be “toast” and unlikely to revive.
 - ▶ The status of club visits by the other Area Governors is unreported at this time.
-

- Membership:**
- ▶ Washoe Zephyrs with 8 members and Moonlighters with 10 members in Area 14 have indicated they need help with membership.
 - ▶ Tahoe Toasted Nuts appear to have folded in Area 13.
 - ▶ American Valley in Quincy CA in Area 11 is also border line on membership reporting 9 members.
 - ▶ Sierra Sunrise Toastmasters lead in Area 11, leads Division A with 42 members. Maybe they can spare a few to our struggling clubs.
-

- Contests:**
- ▶ All the Area contest dates, locations, and times have been determined and club speech contests in Division A are underway with most having scheduled their contests on the bracket calendar being maintained by Chief Judge Jeffrey Purtee.
 - ▶ Thank you to all who are competing this spring in our speech contests. Like Past International Director Mike Barsul pointed out at the Leadership Breakfast in Reno NV last Saturday when likening membership in Toastmasters to being on the swim team.

There are no cheerleaders on a swim team and everyone gets wet.

- DCP Stars:**
- ▶ Three out of the four clubs in Area 11 have met the required goals to become distinguished clubs. Sierra Sunrise (6), Washoe Express (5), and University Toastmasters (5). American Valley is planning to have 5 goals by the end of the year.
 - ▶ In Area 12, The Chamber Toastmasters club is leading the DCP pack with 6 goals obtained to date followed by Oasis with 4 goals.
 - ▶ Area 14 has the top performing DCP club in Division A with Sierra Advanced Speakers already completing 7 goals followed by Moonlighters with 5 goals achieved.

Distinguished Areas:

- Challenges:**
- ▶ Several Division A clubs are eligible for, and still need club coaches, sponsorship from stronger clubs, or a posse of experienced Toastmasters to try to get them back on track and viability. These include American Valley in Area 11, Lyon Speaks Tonight in Area 12, and Washoe Zephyrs and Moonlighters in Area 14. Efforts to attract, sign up and retain members is a high priority for the majority of clubs in Division A. Division A and B could use some localized publicity regarding Toastmasters in our area. Suggestions or samples of previous media pieces would be appreciated.

Notable Accomplishments

- ▶ Thanks to Russ Steele, PDG, the Area Governors, and the Division Chief Judge, all upcoming Division A sponsored club officer trainings, TLI's, and Area contests have been scheduled, and the Feb Madness of club contest season is in full swing in Division A. Chief Judge Jeffrey Purtee is providing judges to all Division A clubs requesting assistance with judging.
- ▶ Next week's Division A club officer training will be offered on Thursday, February 19th from 6:00 pm to 8:00 pm in Truckee CA at the TPUD. Area 13 Governor Richard Ludke is hosting. All Toastmasters are welcome to attend.
- ▶ The new story telling club continues to meet Saturday's at KNPB Channel 5 and hope to Charter by the spring of 2015. Area 12 Governor Staci Nauman is very active in supporting this new club and their efforts to get chartered.
- ▶ On February 5, Division A hosted a Toastmasters Table at the local 1st Thursday's event at the Nevada Museum of Art. At the event, Tina Clinebell, Area 14 Governor, and her own TRIO Kris Riley, President of Sierra Advanced Speakers, Nancy Potts, Past Division B Governor, and Mike Sullens, Division A Governor all "talked up Toastmasters" with museum guests, passed out local Toastmasters club information for Divisions A & B, handed out Toastmasters brochures, and offered up local sweets for the sweet. Fun event and we hope to continue more community outreach at local events to spread the word about the benefits of Toastmasters.
- ▶ Happy Valentine's Day District 39.
