Public Relations Manager Report – July 2015

Philip Williams did an outstanding job as District 39's 2014-2015 Public Relations Officer so I have some big shoes to fill as the new Public Relations Manager. However, filling Philip's shoes will be a little easier due to the District's fabulous 2015-2016 Public Relations Team:

Social Media Chair: **David Goad**
Webmaster: **Veena Vijayaraj-Kadidal**
Website Assistant: **Cynthia Biederman**
Website Developer: **Reid Walley**
District Photographer: **(TBD)**

I want to thank David, Veena, Cynthia, and Reid for their help and support! **YOU ROCK!**

2015 - 2016 Goals

As PRM one of my goals will be to continue utilizing the avenues and tools the District has available, such as media coverage and internal communications, to showcase the District and our members. With his social media savviness, David Goad has some exciting plans for D39's FB page. And with Veena Vijayaraj-Kadidal, and Cynthia Biedermann staying on top of D39's website and Reid working diligently behind the scenes, District 39 is in for another exciting year!

My 28-year-old niece once asked, "Is Toastmasters a dating site?" Obviously Millennials have a very different image of what Toastmasters is. To bridge this gap another one of my goals is to introduce and attract more Gen Xers, Gen Ys, and Gen Zs to Toastmasters. Also when asked "Have you heard of Toastmasters?" many people think Toastmasters is only for public speaking. I want to change this mindset. I want the youth, the public, the community, and businesses to know Toastmasters is not only for public speaking but it is "Where Leaders Are Made".

Media Coverage reminder for all D39 Toastmasters

Keep an eye out for Toastmasters stories and events that could be of interest to the general public and tell me about them. Also, we need your help identifying media outlets and publications in your area that might be interested in covering Toastmasters (television & radio stations, professional journals, blogs, etc.).

Publicizing Toastmasters will bring new members to all of our D39 clubs, and publicity works best when everyone participates. Consider yourself on our team too. Pass along good news and helpful information when we publish it, and we will achieve our goals together!

CLUB GROWTH DIRECTOR

Lance.McMahan@District39.org

July 11, 2015

Vision: All members and clubs achieve their potential.

Club Growth Development Team

Jill Fay, DTM, is serving as both the **Club Extension Chair** and **Club Coach Coordinator**. Ms. Fay tracks the progress of new club leads, and monitors efforts by club mentors and coaches. Her report on the status of club leads, mentors, and coaches is attached.

Division Directors, or their assistants for Club Growth, serve on the District Club Building Team, and implement the District 39 marketing strategy.

The Club Growth Director is responsible for all aspects of marketing, club-building, and member - and club-retention efforts within the district. This includes:

1. Defining an overall marketing strategy for the district;
2. Developing outreach and retention efforts with existing community and corporate clubs;
3. Penetrating new markets; and
4. Supporting challenged clubs and helping them to become Distinguished clubs.

Experienced Toastmaster members form the *core* of the Club Growth Program. Division Directors, or their assistants for Club Growth, identify experienced members to serve as Club Sponsors, Mentors, and Coaches.

Underserved areas within District 39 deserve the opportunity to experience the benefits of toastmaster membership. As the year progresses, leads will be developed in areas lacking a club, at the discretion of the Division Director.
