Conference Toastimonials!

How have District 39 conferences helped you in your speaking journey and career? What keeps you coming back?

"I remember sitting in the audience during David Brooks' educational session, and that light bulb went off. I left that day changing the way I wrote a speech. And I thought I truly knew what I was doing. Each time I attended a conference I learned something new, something that made me a better speaker and a better leader. When I am at a conference I feel as though I am in a room of celebrities and I am in awe at their ability to change...me! Last conference I met two first timers and I had the opportunity to speak to two famous 39er's...Jeffrey Purtee and Colin McKechnie. Those conversations were priceless. You experience a great deal at the club level but the networking, the speeches, and the keynote speakers may just change...you! Attend a conference, meet a District 39 celebrity, and you will have a new testimony of how Toastmasters 'changed your life!'"

~ **Cheryl Natah**

Team Travis Toastmasters, Vacaville

"Originally, I loved going to conferences to help out. There's some amazing people who work incredibly hard to put our District conferences together and it is so inspiring to see great leadership in action! Now, I am fascinated by the speaking talent we have in our District. There's so much to learn from watching our speakers work their magic from the stage. On the stage, or behind the scenes - there are just so many reasons to attend a District conference!"

The District 39 Unsung Hero Award

During the past few months of attending club officer training sessions, attending club and area speech contests, and speaking with numerous area and division directors, one theme plays over and over again when it comes to

DISTRICT 39 - WHERE LEADERS ARE MADE
PQD March 12, 2016 REPORT

successful clubs-**the value of club champions.** Club champions are the men and women who meeting after meeting, month after month, year after year, continue to encourage and mentor the members of your club to reach for greater levels of individual member success and greater levels of club health and growth. I hear their names all the time, and it occurred to me it is time to put a formal recognition program in place to publicly thank these tireless individuals for their unwavering faith in the Toastmasters program and for their unending devotion to the success of their fellow club members.

Starting January 2016 a formal recognition submission form will be sent to all members asking everyone to submit nominations of their fellow members for the 2015-2016 District 39 Unsung Hero Award. All submissions will be posted to the Unsung Hero Award page on the District 39 website by May 1, 2016. All nominees will be presented with a framed award certificate, and be recognized at the District 39 Spring Conference.

I encourage you to recognize the **Unsung Heroes** in your club by submitting an Unsung Hero Award nomination form between the dates of January 1 through April 15, 2016, thereby allowing our district the opportunity to publicly recognize our fellow members for their service.

District 39 recognizes the following unsung heroes and thanks them for their many hours of dedicated and tireless service to our members.

***Julie Mattox, Denise Alder, John and Minda Davis,
Mike Hill, Mike Sullens, Jeffery Purtee, Russ Steele
Dwayne Landenberger, Art Grossman, Bill Inman.***

***“Here we are, with tremendous opportunity before us. I challenge you to get to work to bring us up to a higher level of service. Let us share with others the benefits we have gained for ourselves.”
