## Parliamentarian Report

### D39 DECM of February 12, 2022

It is my honor and pleasure to serve District Director Nancy Potts, DTM and the District 39 Toastmasters for the 2021-2022 Toastmaster Year.

Be sure to check out page 21 of the February issue of *The Toastmaster* magazine, for 3 members of D39 are mentioned as officers in the "specialty club *Toastmasters in the Kitchen*".

Many good articles in the February issue of the *Club News Leader Letter*, including a *Club Officer Self-Evaluation*.

On January 14, 2021 had 7 sets of Board of Director Minutes made available, that also included the actions taken at the Virtual International Conference this past August.

Some important changes were made to Protocol 9.0, ***District Campaigns and Elections***, especially in #6 Campaign Communications. Also major changes were made to campaigning for International Office.

Protocol 2.3, Club Programs and Events, with respect to Club Coaches had a major overhaul.

The Board also discussed revisions to "hybrid meetings and elections".

Of course, the yearly revisions to the Speech Contest Rulebook were made available.

As I have in the past reminded all Toastmasters, if you want to know what's happening "down the road" with the future of TM, the Board minutes are available on the WHQ website from August 2010. The latest Board Minutes that are available are from December 21, 2021. Toastmasters Policy and Procedures are also available on the WHQ website, for your reading pleasure. Read and become informed.
