TI Mission: "We empower individuals to become more effective communicators and leaders."
District Mission: "We build new clubs and support all clubs in achieving excellence"
Club Mission: "We provide a supportive and positive learning experience in which members are empowered to develop communication and leadership skills, resulting in greater selfconfidence and personal growth."

## Dan Rex, CEO Toastmasters Inational:

When making decisions regarding the district, consider the District Mission. Funding for District Events will not be approved if they do not fulfill the District Mission.

## TI District Events FAQ

http://www.toastmasters.org/footer/faq/District Events
Instructions:

1. Read all proposals and discuss them with members of your Division.
2. Evaluate each proposal according to the following weighted criteria
a. +4 points - Supports District Mission (District Leader Training, Pathways Training,)
b. +3 points - Supports Club Excellence (Club Growth, Membership Growth, Club Excellence)
c. +2 points - Provides Leadership/Club/Member recognition
d. +1 point - Provides networking/fellowship opportunities
3. Rank the evaluated proposals
a. Order suggestions from most points to least points
4. Make 4 Lists on next page
a. Similar Events/ideas that are similar to another event/idea ( pick the best most complete item)
b. Supported Events (District Mission): 5 events your Division would support
c. Supported Suggestions (Non-Events): 5 suggestions your Division would support
d. Opposed Events (Not District Mission): 5 events TI would probably due to improper focus
e. Opposed Suggestions (Non-Events): 5 suggestions your Division would-not support
5. Be prepared to Debate for/against

The General Idea is to reduce the suggestion list to something that is manageable ( $5-10$ items):

- Elevate suggestions that are most relevant \& benefitial to the District.
- Eliminate Duplicate suggestions
- Eliminate suggestions that will not be funded by Toastmasters International
- Determine the top 5 Events that support the District Mission

| OneLiner | DTM Recognition - Submission 2 |
| Event Goal [Goal Met] | Networking, Member Recognition |
| Event Description | DTMs recognized at the annual Spring Conference. However, the time of measurement would be <br> for all DTMS from the previous calendar year Jan-Dec. For example. A DTM receives the award <br> on 7/1/2019, they will receive the award at the Spring Conference in April 2020 for DTMS from <br> $2019 ' s ~ c a l e n d a r ~ y e a r . ~$ |
|  | Also, each DTM should be allowed to have 1-2 minutes to speak on their experience and thank <br> members who helped them along the way. <br> The benefit is it establishes a formal time frame for the recognition. It also ensures the recipients <br> receive the award with an entry in the conference program. <br> The cost, was we often have additional printing expenses waiting for last minute conference <br> changes. Recently, we spent over $\$ 2000$ on the Fall 2017 program because we waited too long <br> to get the $\$ 600$ print deal. A cost to the members of over $\$ 1400$. |

| OneLiner | Leadership Breakfasts moved to Fall |
| Event Goal [Goal Met] | Networking, Training, Member Recognition |
| Event Description | Move Sac and Reno breakfasts to the spring to Fall. <br> The events would be used to recognize clubs and members who achieved the previous year's <br> DCP and other awards. <br> Toastmasters International recommends districts shift the emphasis from contests to education <br> and training, especially for Area and Division Directors. |
|  | During the months of September and October Divisions will host recognition events. The idea <br> would be to also increase the number of breakfasts from 2 to up to 5. Locations might be Reno, <br> North CA like C/F. Breakout Sacramento, Vacaville and Stockton out to 2-3 divisions each. |

| OneLiner | May the best Contestant Win! |
| Event Goal [Goal Met] | Networking, Member Recognition |
| Event Description | Brian Avery visited D39 a few years ago, and he shared how he became the youngest <br> international speech champion. He won the contest at 26, and he was only a TM member for less <br> than 1 yr. His secret was to use a saying, "An inch wide and a mile deep". He focused only on <br> winning the International Speech Contest at Toastmasters. <br> I recommend we focus all of your time and resources specifically on only the international speech <br> contest. The other contests may be useful at the club level, but only 1 main event should be <br> showcased. |
|  | Also, contests represent the highest use of Area Director and Division Director time and <br> commitment. It also becomes a higher expectation then other tasks that provide the best outcome <br> for clubs and members. Specifically, effective Club Officer Training (Toastmasters recommends 5 <br> hours per officer) and Club Visits (AD survey indicates the best value to clubs/members). As a <br> result, ADs and DVDs put more effort into contests and less effort/training in COT and visits. |

| OneLiner | The Best Training in Toastmasters! |
| Event Goal [Goal Met] | Networking, Training, Member Recognition |
| Event Description | The biggest problem in D39 is not effective contests, we have clubs all over D39 without the tools <br> or incentive to build clubs to 20+ members or consistently reach distinguished. <br> I recommend D39 commit to effective Club Officer Training as outlined by Toastmasters <br> International. D39 consistently ranks at the bottom of the world and at the bottom of Region 2 is <br> Distinguished Club Percentage. D39 also ranks low in the region for the number of clubs with 20 <br> or less members. D39 ranks high in clubs with 8-12 members needing coaches. |
|  | TM recommends 5 hours of training, and also recommends 4 hour online trainings. |
|  | At the division level, COTs should plan to ONLY allow the Toastmasters recommended 5 hour <br> training. Providing training on achieving distinguished, Pathways education program and <br> membership retention \& recruitment. The courses should follow the resources provided by <br> Toastmasters International. |

| OneLiner | April Annual Conference |
| Event Goal [Goal Met] | Networking, Training, Member Recognition |
| Event Description | Schedule the D39 annual conference for the month of April. There are a few good reasons to do <br> this. 1. Toastmasters Intl requires a budget and AD appointments be approved BEFORE Sept 30 <br> of each year. 2. D39 usual has conferences in late May, and this only allows 1-2 weeks before <br> the district starts the COT for the following Toastmasters year. 3. D39 often has contested <br> elections, and planning sometimes has to wait for the election to finish. |
|  | An early conference will allow the TRIO 4-8 weeks of time to bond as a team, set key priorities, <br> prepare a District Success Plan, and prepare a budget. The early conference also allows the <br> newly elected Division Directors time to also bond with their team, set priorities, plan COT, plan <br> division/area council events and complete a Division Success Plan. |

| OneLiner | District 39 Convention |
| Event Goal [Goal Met] | Networking, Training, Member Recognition |
| Event Description | The event will be a one day event with a MINIMUM of two training paths. One path will be for <br> member enrichment and another path will be for club officer enrichment. This event will have <br> ample opportunity for networking. Also, member/area director/division director/etc. recognition will <br> be hosted around a formal luncheon. |

| OneLiner | Simplify the Contest Process |
| Event Goal [Goal Met] | Training |
| Event Description | Only One Contestant per Contest to move to next level. Go back to the one contestant per event, <br> no matter how many clubs are involved. The current process takes additional time (which is <br> additional cost), and offers no real benefit to TI as a whole. |

| OneLiner | New Leader Breakfast |
| Event Goal [Goal Met] | Networking, Training |
| Event Description | Create a NEW Leader Breakfast to be held in early or mid July. The purpose would be to allow the <br> recruiting and selection of new officers, DVD's and AD's plus awards, to run all the way to the end of <br> June. I feel that mid-May is too early for this process to be completed. |
|  | A July New Leader Breakfast would allow the new Trio to welcome the new leaders at the beginning <br> of their careers, while NOT competing with other TM activities. I'm thinking a 90 minute session to <br> begin with. This could be a great kickoff motivator for the new group. If needed, a short Pathways <br> update could be included, at least for the first few years. |

| OneLiner | half-day event |
| Event Goal [Goal Met] | Networking, Member Recognition |
| Event Description | half-day event every fall, for the District Humorous Speech Contest. The location could alternate <br> among our Divisions, just as the Fall Conference did. I propose that the Contest be held in the <br> middle of a weekend day (probably Saturday) from 11:00 AM to 3:00 PM, with the Speech <br> Contest scheduled first, then a midday meal after the Contest. After the meal, the District could <br> conduct other activities, such as the DTM Award Ceremony, and anything else the District <br> Officers felt was essential. This plan would allow driving time mostly in daylight for the attendees, <br> and there would not be the expense of staying in a hotel. The cost for the attendees would be <br> limited to the meal. |
